Grade 4

Student iPad Guide: PWCS Portal Login and Recommended Learning Apps to Support Learning at Home

1. Open a web browser and visit <https://login.classlink.com/my/pwcs>
2. Enter the student's PWCS username (do not include @pwcs-edu.org)
3. Enter the student's PWCS password
4. Click Sign In
5. You're in! Students can access apps in the PWCS Portal.

These are the applications suggested by the 4th grade teachers to best support students at home.

Lexia Core5

to support reading skills

Canvas

to access the math textbook
and resources for each subject

Reflex

to support fact fluency

IXL

to support math

Discovery Education

to support science and social studies

PWCS encourages daily reading, specifically recommending 20 minutes to boost literacy and academic success.
