Student iPad Guide: PWCS Portal Login and Recommended Learning Apps to Support Learning at Home

1. Open PWCS Portal
2. Computer - open your web browser and type <https://login.classlink.com/my/pwcs>
3. Mobile device - open the ClassLink app
4. Click on the QuickCard image icon located under the sign in button
5. If this is the first time accessing the PWCS Portal, you will need to click "Allow the camera while visiting the site"
6. When the QuickCard window opens, scan the QR code on the QuickCard using the camera.
7. You're in! Students can access apps in the PWCS Portal.

These are the applications suggested by the Kindergarten grade teachers to best support students at home.

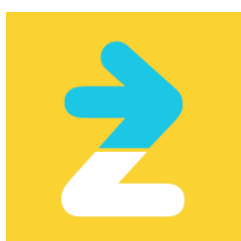

Lexia Core5

to support reading skills

PebbleGo

to support social studies

Zearn

to support math

Brain Pop Jr.

to support science and social studies

PWCS encourages daily reading, specifically recommending 20 minutes to boost literacy and academic success.
